

Sustainably made.
On-the-go protection.

Dell EcoLoop Pro Backpack 15

An eco-conscious backpack designed for on-the-go protection for your Dell laptops.

EcoLoop™ EVA+

Designed with the environment in mind

Dell EcoLoop™ labeled backpack is produced with select materials and/or methods that reduce the environmental impact compared to traditional industry techniques. The backpack's exterior main fabric is made with 100% OceanCycle Certified™ recycled ocean-bound plastic from approximately 11 recycled plastic bottles collected from ocean coastline or major waterways.¹

Complete protection

Protect your laptop from spills, bumps and scratches with anti-scratch Nylex lining and the 360 degree foam cushioning that has a mesh bumper on top, EVA+ foam for bottom and side walls. The water-resistant backpack allows you to commute worry-free even on a rainy day.

Bring your office anywhere

The backpack comes with enough storage to carry most of what you'll need to do your work. It features purpose built compartments and organizers for items that need to be accessed easily.

* Only applicable on exterior main fabric.

¹ Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.

Thoughtfully designed with the world, and you, in mind

Protect your laptop with this durable backpack made of water-resistant materials for a life on the go. With additional compartment and organizer for keyboard, portable display/tablet, mouse, headset and other tech accessories it's the new 'hub' for your portable office.

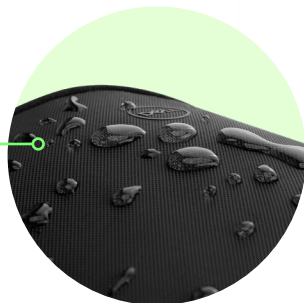

Adjustable shoulder straps and padded back panel

Store documents and all your work essentials

Protect your devices from the elements with premium 840D Ballistic body fabric and extra durable coating at the bottom of the backpack

Easy to grab zipper pullers

Purpose-built organizer for tech accessories

Navigate airports and train stations easily with luggage pass-through

Two elasticated side pockets for your water bottle and umbrella

Main exterior fabric made with 100% ocean-bound plastic¹

Anti-scratch Nylex lining
360° foam cushioning with mesh bumper on top and EVA+ foam for bottom and side walls

EcoLoop™

Proudly OceanCycle Certified™*
The exterior main fabric is made with 100% ocean-bound plastic from approximately 11 recycled plastic bottles collected from ocean coastline or major waterways.¹ This durable, yet sustainable fabric helps reduce our environmental impact while still protecting your tech gear and essentials while on-the-go.

Responsible dyeing process
Made with a solution-dyeing process for polyester that can generate up to 97% less greenhouse gas emissions, water impact, and fossil fuels than traditional dyeing processes.²

Dell EcoLoop Pro Backpack
protects Dell laptops up to 15.6"

The backpack comes in packaging which is made of 100% recycled content in the hang tag, hang loop and plastic bag.

* Only applicable on exterior main fabric.

¹ Plastic bottle estimate assumes a 500 ml plastic water bottle. Ocean-bound plastic is waste collected within 50 kilometers (30 miles) of an ocean coastline or major waterway.
